Dear Mrs. Bauer:

I regret to say that my Lowell Institute Lectures, "The Art of Coercion," have never been printed, and exist at the moment only in manuscript form.

Although the first lecture, "The Theory and Practice of Blackmail," received considerable circulation in an earlier period, it is not now available for distribution. I hope in the near future to remedy this situation and will send you a copy of that lecture, at least, when possible.

Sincerely yours,

Daniel Ellsberg
